Charlie Allen Rocks Nashville at SRO Performance

Charlie Allen and his band performed a high-energy showcase this week to an SRO invitation-only crowd of industry movers-and-shakers and fans at Nashville's 12th & Porter. Allen performed a blistering set of songs from his River Run Records CD, *'That Was Then, This Is Now,'* and a new Henry Paul and Dale Oliver produced track, "Grandpa's Recipe" (written by Allen and Tony Stampley).
